

INYO COUNTY AIRPORT FILMING: COST REIMBURSEMENT

In addition to the Permit Application fee and Filming fee described in the ***Inyo County Commercial Photography and Filming Application and Permit***, Inyo County requires the reimbursement of actual costs for employees, equipment, fuel, janitorial services, and any special requests that result in costs incurred to the County. You will be asked to pay a deposit upon approval of the permit that is an estimate of the cost and may not cover the entire cost for which you will ultimately be responsible.

Any real charges in excess of the deposit shall be invoiced within 2 weeks of the end of filming. If there is a balance remaining after reconciling the final bill, a refund check will be mailed to you within 45 days of the final closure of the project.

Reimbursement of costs shall be charged at the following rates. Employee per-hour rates may include hours for preparation or transportation and may not take place on the day of filming:

- Airport Director Hourly Rate - \$92 per hour
- Employee per hour rate – \$60 per hour per employee
- Employee Overtime rate - \$90 per employee during overtime or weekend hours
- Travel rate - \$0.65 per mile
- Runway closure (diesel fuel for closure signs) - \$50 per hour
- Runway closure (sign placement) - \$50 per hour
- Janitorial rate – \$50 per day for basic trash removal and cleanup, excessive cleanup will be charged additional fees.
- Damages, building modifications, and charges for special requests will be charged at actual cost.
